v.

PROCEDURAL ORDER

LUCAS LANIGAN

This case has been pending since filed on October 28, 2024. The indictment was returned by the Grand Jury on January 8, 2025.

Mr. Lanigan was initially represented by Attorney William Bly, who withdrew in December 2024. Mr. Lanigan subsequently applied for court-appointed counsel. The Clerk's office has not been able to appoint counsel to date as there are no attorneys on the roster to appoint for these types of charges.

A number of motions are currently set for hearing on 11/18/25. However, Mr. Lanigan still does not have court appointed counsel. Thus, the Court must reschedule the motions for hearing to a future date to be determined when counsel is appointed. To that end, the Court requests the assistance of PDS in obtaining counsel for Mr. Lanigan. The Clerk is instructed to send a copy of this order to PDS to facilitate that action.

So Ordered.
